

Updates on the CGF Board of Directors

The Board of Directors of the Continentals Global Foundation received and approved a letter from Founder, **Cam Floria**, outlining his decision to retire and resign from the Board. In this season of life, Cam looks forward to spending more quality time with his family, and encouraging his lifelong friends on the Board from the sidelines.

The Board expresses its sincere gratitude in recognition of the impact of Cam's vision, leadership, and almost 60 years of service to the Continentals ministry, and the global work it continues to inspire. His founding role and lifelong commitment have helped shape a legacy of music, ministry, leadership development, and gospel impact around the world.

As the Foundation moves forward, the Board remains committed to continuing that legacy as we support and encourage the ministry of Continental Singers worldwide. To that end, we're happy to welcome new Board members - **Priscila O'Shee** (our ministry Director in Chile), **Peter & Rolina Grasmeijer** (Executive Director, Continental Ministries Europe), and **Brent & Sherry Edwards** (former President, International Commission). They join our existing Board members: Danette Ferro (Board Chair), Julia Winterberg Hamilton (Treasurer), Liz Johnson Selleck (Alumni Relations), Vicki Dvoracek, Monty & Christa Kelso, Jim & Karen Schmidt. Brent Edwards serves as Director of Development.

On behalf of the Board of the Continentals Global Foundation,

Jim Schmidt
President
